Hybridgriffe & Griffleisten

Die Hybridgriffe von SIRO sind die perfekte Fusion von Griff und Griffleiste und ihr schlankes Design entspricht den neuesten Trends. Ob sie mittig wie ein Griff oder bündig an der Oberkante wie eine Leiste platziert werden, bleibt dabei dem persönlichen Geschmack überlassen.

SIRO's hybrid handles are the perfect combination of handle and integrated handle, their minimalist design reflecting the latest trends. Place them in the middle of a door like a classic handle, or flush mount to the upper edge-it's your choice!
